“ *Bette Maybee, Was one of the most caring and loving people I have ever known. She has inspired me to care for nature, provided me with wonderful memories, and supported me through thick and thin. She had a wonderful personality, a bountiful sense of humor, and her excitement and happiness radiated like the sun. Although she has passed, her memories live on in those touched my her life. I pray for her in the afterlife and will keep her love until mine.*

“ Our sincerest condolences. Betty was one of my Mother-In-Law's dearest friends and both Betty and Bob were lifelong friends of my in-laws, Eileen and Bill Bolton. Betty lit up the room with her warmth and smile and she always was so welcoming and sweet. We recently went through all of our family picture books and we enjoyed looking at all the pictures of the four of them together. She was a bright light in this world and will be missed.
