“ Dear family of Mrs. Austin,

We are blessed to be your neighbors and we are so thankful to have known Mrs. Austin as a neighbor and friend. She truly loved her family, friends, church family and neighbors. She loved the Lord with all her heart and it was evident in all she did, even with her gardening. I was and am blessed to remember many conversations we had about life and faith over our neighboring fence. :) I thank the Lord for her life and for the influence of her faith and love that she had on so many. She will be greatly missed. Prayers for all her family and friends.

“ Sister Austin was one of my Spiritual Mothers. The other three were Sis. Hill, Sis. Miles and Sister Janice Okeefe. I so loved these precious ladies and will never for get them. They introduced me to this wonderful truth, and lived what they taught me. I’m sure they will get stars in their crowns, for the many people they have lead to Christ. Prayers for the Austin family.
