“ Dear Mark, Paul, Kris and family,

It makes me so sad to hear of the passing of another of our neighborhood "family" members. We weren't just neighbors but a big family that lived in different houses. Your mom wasn't just your mom but "our" mom. She was well loved and we will all miss her. We were all blessed to have had her in our lives and we thank you for sharing her with us.

*Love you all,
Cynth*

“ *Your mother was always someone we could count on. She was my rock when my grandmother suffered a stroke and I was the oldest one home (at the age of 12). Thoughts and prayers are with all of you. She will be missed.*

“ *Mark, Paul, Kris and your families, I'm so sorry for the loss of your Mom/Grandma. Betty was truly a sweet soul and she will be sadly missed. I miss sitting on her porch and chatting with her during the warmer months. She was a kind and loving neighbor and always looked out for our boys when they were young. - Debbie Knirk (Hooper)*

“ I will always believe meeting Betty was not by chance; rather she was specifically sent to me by God. I will never forget Betty's kindness. What a wonderful example of a faithful Christian servant.

“ Dear Paul and Judy and the entire Dober family, I am so sorry for your loss. Losing a Mother is hard but knowing she was a Christian woman, I pray you will find peace and comfort in knowing she is home.

“ My heart and prayers go out to you and your families, Mark, Paul and Kris. Your mom was a wonderful woman, friend and neighbor, and I will miss her deeply.

I enjoyed our talks, and going with her to church, church events and occasionally to the store and to visit your dad. I am deeply indebted to her for allowing me to use the family pool after my foot surgeries. Her generosity helped a great deal with my healing and health!

I will always remember her sense of humor, her thoughtfulness and her sincerity!

Love,
Jackie

“ Betty, my dear, dear friend. Peace Lutheran and AAI brought us together as we served as officers for the AAL Branch. A great friendship was born. I have so many memories from our friendship. Some of the most memorable, evenings at your house or mine playing Sequence or some other game, camping, birthday celebrations, getting lost in the woods while mushroom hunting, making Springerle at your kitchen table, butter pecan ice cream cones, sharing the care of Melita, Now our loving God has opened his loving arms and taken you to a special place he has prepared for you, no more pills or pain. I thank you for your friendship. My sincere condolence to the boys and their families. I will really miss my special friend Betty. May God be with you. Audrey
