“ My Aunt Betty will be missed very much by both of us. She helped us through the most difficult time of our life and we will always be grateful for having such a wonderful aunt. She always had good words for everyone and was never negative about anything. She was like a mother to me and I am thankful for that. Love, Diana & Doug

“ The management's chore lists will be sadly missed by the maintenance man! Aunt Betty meant a lot to me and my whole family. I will miss her terribly. Love, Joe

“ My Aunt Betty was the greatest Aunt I could ever wish for! She was always there to listen and care. She always made people feel good after spending time with her. She taught me so much, most importantly and recently about unconditional love. She was a truly wonderful person and touched a lot of lives. I am thankful she is no longer suffering, but she will be sadly missed by a lot of people. I was lucky to have been able to spend time with her recently and am thankful for the wonderful memories. All of her family meant so much to her and it was always a good time when she was at a gathering. With Love, from Rosanne
