“ I was very sorry to hear about Betty's passing. We lived next door to Betty and Walter for 7 years and have very fond memories of both of them. They were the sweetest neighbors. After we moved away, I thought of Betty often. I will still continue to think of her. Our Deepest Condolences, The Bansal Family

“ Betty was a beautiful lady, neighbor and friend. She always spoke of her family, had stories to share, and pictures to show. She was very blessed. I enjoyed her company very much. I am going to miss her dearly.

“ I have very fond memories off Walter and Betty Ann Rolls. Since my last name started with an "R", I always shared a locker with or by Sally. We were good friends all through school and I spent a lot of time in their home. We were all sad to lose Sally when she was so young and I think about her often. Nancy Reizen Serlin

“ Grandma Rolls was not only a wonderful grandma to my sister Wendy and me, but she was also a mother figure and a friend. She loved us unconditionally, was always there for us, and made us laugh. We would talk to her about anything and everything and no matter how old we were, we always enjoyed spending time with her. She was a very special person in our lives who will be missed but never forgotten.

“ I am the sister of your mothers neighbor, Cindy Lee, My deepest sympathy for you and your family at this time. Our mother passed 2 yrs ago from Dementia. It is an awful time for the family to see a loved one with this condition. My sister mentioned your mother alot in our conversations on how much she enjoyed looking in on her. God bless you and your family.
