

Betty Ann Sweiss

August 2, 1949 - September 23, 2015

Betty Ann Sweiss, age 66, of Garden City, Michigan, passed away on Wednesday, September 23, 2015 while traveling with loved ones.

She was the beloved Mother of Nancy (Jeff) Dlugokenski, and Frank (Stacey) Doria. Loving Sister of Brenda Setser-Scalf, Ralph (Teresa) Weeks, and James Weeks and was a dear Aunt to many nieces (great), nephews (great), cousins and a host of other family members. She was a loving and compassionate friend and confidante to many, whom she considered family.

Betty was born on August 2, 1949 to Anna and Frennie May in Kentucky. Her family moved to Michigan when she was one year old and she never left. She started working for Henry Ford Hospital (HFH) in 1967. She worked at HFH for 47 years starting off Xeroxing books and working her way through the ranks to the position of ROI Quality Coordinator Health Information Management, at Piquette. She was very proud of the work she accomplished there and more so of her employees and their accomplishments. She was quoted as saying, "The people at HFHS are some of the best people in the world." She believed that HFH was a large family and when things went wrong everyone pulled together to take care of one another.

Betty was a long standing member and serving the community through her affiliation with the Grotto and the Lady's Oriental Shrine of North America. She

loved spending time with her family and friends, traveling, attending social events, and cooking for loved ones. Betty was truly loved and will be missed by many.

“ *To Nancy and Frank,
I am so sorry about your Mother. Betty was the best darn person I ever knew. I am just sick that i will never get an opportunity to talk to her again. I learned so much from her over the years at Henry Ford. She will never be forgotten by me or my family. Betty was a dear, sweet woman with a heart of gold and you always knew where you stood with her on any given subject. Years after I married my second husband, he told me what she said to him at a cookout at my house; "If you ever hurt that woman, I will kick your a**". That was Betty, a true friend. May God Bless Her and Love Her.

Dear Nancy and Frank:

As you already know your mother was a blessing to us all and a complete angel in our hearts. I will truly miss her warm and encouraging heart and genuine smile. God bless you both and always remember your memories that will never ever go away. She will be with every day and she is walking beside you both. I worked with Betty at Henry Ford Hospital and cherished my time with her. She was indeed a very hard worker, always dependable and was a true blue person. God bless you both and continue her legacy in your daily lives and with your families.

“ *Betty was a great gal; so much fun and such a hard worker. We sure had some good times along with the work at Most Holy Trinity all those years ago.*

I am so sorry we didn't stay in touch through the years. It was sure a loss not having her in my life all these years since MHT.
