“ I haven't had the pleasure of meeting Betty Tyrell. It is only through the eyes of her kind, compassionate, and lovely granddaughter, Michelle Wilkewicz who shared many heartwarming memories with me. My personal favorite is when Michelle was performing on stage at her most vulnerable, her number one fan grandmother Betty was always cheering the loudest. Certainly, throughout Michelle's life, Grandmother Betty will still be cheering the loudest ❤️

“ Betty will be missed for sure! My prayers are with everyone who loved her. Betty made a huge impact on my life. She was my manager at Michigan Bell way back when. At one point, I was going through a very tough time, and she was there for me, helped me turn my life around. She didn't have to do that. It was not required of her as a manager. She did it because she was just so full of love. I will miss her and am forever grateful for her.
