“ Susan and family. I just found this on the Sullivan site while reading tributes to a friend. I had no idea this had happened. You have sustained terrible losses this past year and our thoughts and prayers are with you. We will always treasure the times we were with your Mom and Dad, whether it was Christmas Eve, a picnic at the park and all those wonderful parties in Canada. Your Mom was generous and kind to all of a Sandy's and your friends. The only comfort we can offer is the assurance that she is with your Dad and Sandy and is no longer debilitated. sending our love from the Carlinas. Tim and Lynette

“ To the family of Betty Walford: Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" (Rev 21:3.4) and assures us that God hears our prayers (Ps 55:22). I hope this brings you some peace during this difficult time.

“ *Mr and Mrs Walford were parents of my friends Susan and John and Sandy and became my friends as leaders went by. They were willing to sit and listen and advise whenever I needed someone to talk to. I will always remember the holidays fondly as they played an important part of my Christmas eve's in many years past. My best memories of Mrs. Walford are when she ran the salon and how professional and regal she always was. Lastly Christmas Eve 1998 as I was leaving her home, she hugged me, she knew I needed that as that was my dads last Christmas.*
