“ Joe: We were so sorry to hear about the loss of your wife. Though I only met Bev a few times, she was a very memorable person. I enjoyed her company and great sense of humor very much. Please, know that you and your family are in Kathy's and my prayers and thoughts. God Bless. Hugh and Kathy

“ We were very saddened to learn of your loss and understand how difficult this is through our own experiences. Losing such a vital person in your family is really tough. Please know that our thoughts and prayers are with all of you now and in the future. Hopefully fond memories of Beverly will warm your hearts in the years to come. We only knew her through Leslie. She must have been a terrific mother. God Bless. Kim & Oscar
