Bev was like a second grandmother to John and I. She was such a fun, lovely and magnetic person. She lit up every room she walked into and brought so much joy into our life. I could always count on her for a pick-me up with her love and kind words. We miss and love you Bev!

“ I was so sad when I saw this. I was Beverly's tax preparer at Liberty Tax for several years. I so looked forward to sitting with her each year and catching up. I enjoyed watching her posts on FB and hearing about her family whom she treasured. When my own daughter bought a house a few years back, and wanted raspberries Beverly invited me to her home to dig up some off shoots and also let me dig up some lilac shoots. I have those lilac shoots growing in my yard and this year for the first time they bloomed. I will always remember her smile and generosity each year when they boom.

“ I remember Bev from my days in school and then I got her on my paper route back then. She was always so so sweet and always had a smile and loved to sit and chat. Gone but not forgotten. Everytime I go past the neighborhood I think of the good memories from me having my paper route growing up.

“ So very special Bev was to so many people. Blessed to have her in my life for so many years. I will miss watching her eat tomatoes as it dripped down her shirt and having to go back to work, and laughing about it....
Dang I loved her so!
As her words to my daughter “Shine”
She will never be forgotten...”Shine on Bev”

“❤️🥰 Bev was a beautiful soul. She was one of my mom and Cheryl's best friends. They had so many fun adventures and I was lucky enough to tag along to a lot. I'll always remember her when I sip on some peach schnapps (her fav) ! I know she's happy and healthy with Ed and gets to see my mom again. She helped so many kids at West Utica. She will be missed dearly. Love you Bev

“ I remember Mrs Lucas from West Utica where my kids attended school. When ever I encountered her, she was always smiling and happy. Always asked how my kids were doing. I later learned she lived not far from me. May she rest in eternal peace 🙏🙏🙏
