“ *I remember Beverly as a Revenue Officer (RO), acting manager and group manager in the Pontiac office. She was an acting manager in my territory and later became a group manager in the territory of one my peers. Beverly was an excellent RO and a dedicated manager. When she and I had private meetings about the progress of her employees, she always supported her subordinates and was frank in her discussions of those who were doing well and those who needed improvement.*

My deepest sympathy to the family. Beverly is a jewel and may her light continue to shine through her descendants.

*Sincerely,
B.J. Caldwell*

“ I will miss meeting Auntie Bev for Lunch or having her over for coffee (when she was drinking it). She was always loving and accepting. She never tried to tell me what to do or get involved in any family drama, she simply would hang out with me and one of the kids and just show us love and support. She was more like a girlfriend not a aunt. I still have the blankets she made for the kids and treasure them deeply.

When she told me she had cancer , I didn't know how to feel. I knew I wanted her around forever but I also knew that I didn't want her to suffer..... it's such a hard thing to go thru.....she is in peace now and has gone home to heaven. 🙏🙏🙏❤️❤️❤️ I love you Auntie Bev Rest In Peace

“ I worked with Bev for many years. Her office was right next to mine and we spoke and vented etc., to each other. When my father passed away Bev was there for me consoling and helping. I am eternally grateful and will never forget her kindness and friendship.
