Beverly A. Szczygielski, of Howell, formerly of Hamtramck, Michigan, passed away on March 16, 2025 at the age of 83. Beverly is the cherished wife of 52 years of Joseph and the loving sister of Robert (Margaret) Maas and the late Jerry Maas. She is also survived by many beloved nieces and nephews. Beverly is preceded in death by her parents, Charles and Helen Maas. Beverly was an avid reader. She loved to travel and meet people. “ I shared 2 memories of my dear friend; one on my cell phone and another on my computer just now. They are both similar and both different. Just thinking of Beverly a lot. I miss my friend!

“ Beverly was the oldest friend I had! We went all the way back to high school; different schools but I met her through my cousin Linda. Linda went off to college so Beverly and I had a new set of 6 girls and just had lots of fun together! One by one we each got married, but my husband and I never lost our friendship with Beverly and her husband Joe. Got together when we could and continued until we moved to Colorado. At that time Beverly had health issues and so did my husband and I! She was a true friend and I miss her very much! My deepest condolences to Joe and the rest of the family! May she rest in peace!

“ Dear Joe,, we just learned of beverly's passing. She will be missed. We became fast friends as neighbors in Manchester, MI. We enjoyed Beverly and Joe's company and both of your families. We still have some of Beverly's dad's flowers in our garden, they always bring happy memories. And, we'll never forget pierogi making parties with Joes family. As you moved many times after leaving here, sadly, we lost touch.
Rest in peace, Beverly. We'll meet again one day.
Much love to you and to Joe

“ Beverly and I have known each other since high school! We were great friends and traveled together and had so much fun in our youth! She was with me when I met my husband and was a bridesmaid in my wedding! We always kept in touch and only by phone and mail when I moved to Colorado! I will miss her terribly. My deepest sympathy to Joe and all the family! Love all the wonderful memories!

“ I can remember seeing the happy couple walking to their car, parked behind Ray's Flowers or in "Krot's Lot," on days Beverly would meet Joe after school in 1973. I can't say I've seen happier people since. Joe - - "Mr. Joe" - - was our junior high teacher, a job that earned him a fair amount of grief from students like me and the newlyweds the luxury of having "beans and franks" on Thanksgiving. No matter how "wrong" Mr. Joe might have been earlier in the day, however, to the junior high boys seeing him with Beverly told us there had to be something "right" about him. Yuko and I caught up with them thirty-five years later in Ludington and corresponded thereafter. We knew Beverly to be gentle and thoughtful - - and an excellent letter writer. Our condolences to all who knew her. Hang in there, Joe.

Many thanks to joe for letting me know Beverly has left this earth. Husband and I met them on an Amtrak trip to Bryce and Zion. I really don't think we ever had so much fun. We just clicked! Beverly was a riot! I'm glad we visited them when they lived in Ludington and they spent one visit to our house on the lake. It will be hard, Joe, but take it from me memories help so much.
