Proud grandfather of Collin and Emersyn. Dear brother of Anton (Ted) Bauer and the late Chris Blaich. Bill was a loyal New York Yankees, Giants and Rangers fan. He also had a love for bowling and even at the age of 64 achieved a 300 score bowling game. Bill had a love for many things but his greatest love was his family. “ *Kathi, Belated condolences on Billy's passing I just heard the sad news today down here in PA where I've lived the last decade. I first met Bill at the old Auert Ave. Maennerchor in the mid eighties We hit it off immediately. Whenever we're in Utica and visit the "club" I think of Bill. He's missed. RIP*

“ *Billy,*

I can't believe my June birthday buddy (10 days my elder) has left the ballpark...I'll never forget your West Utica Wildcat goaltending, Saturday nights watching the Clinton Comets, your westling matches with Rick and Kevin, our crazy road trips to Florida and that urban legend that you could drive your Trans Am with your feet! Seems like yesterday we were playing ball for Lenny' and Red Coach and winning all those bowling titles as the 'meatheads'. Thanks for your faithful friendship with me and my family...my Mom an Dad loved you too! Condolenses to Kathi and family...both Uticas have lost One of a kind. God bless.

Thank you Sue. The pastor from Hospice had asked how we met and the Red Coach days are what I told her about. The guys playing ball, the kids at the playground and us girls playing cheerleaders and our parties and cookouts at your house after the games. Those were great times.

“*I'm so very sorry to hear of Uncle Billy's passing. I will always cherish the memories of him. From running to him as soon as I saw him, hitting him up for candy money when visiting Grandma Huegen, Sunday BBQs, and all the rides we would make him give us in his Trans Am, WFB-23. Rest peacefully, Uncle Billy. I love you. My sympathy & thoughts are with Kathy and Amanda and family.*”

“ *Well my favorite memories of Billy we're formed early in life. He had a cool car and was fun to be around. Watching him play softball with my dad and uncles, then going to Red Coach were the very best of times. Growing up with Amanda, Billy was exposed to my argumentative teen years but he was always kind, respectful and usually right in our debates. I will miss him dearly and I pray Kathi and family are comforted by the greatest love they shared; it completed him.*
