“ I'll never forget my first time visiting Michigan and meeting Cousin Billy and Gee Gee. Such sweet, loving people. My father, Ed (Heidi) and I were welcomed with open arms and we had such a great time hearing about our family's stories. Very fortunate we were able to share the short time that we had together! Hope we can all get together soon in Michigan and celebrate the lives of my grandparents (Ed & Phyllis) and the Webbs. Sending love and prayers from the Ross family out here on the east coast.

“ Greg and family, I'm so sorry to hear of the passing of your Dad. I remember him from the store and just being outside in your yard when I was growing up on Brownell. May you find peace and comfort in your memories. Kasey (DiAntonio) Widman

“ *Utica will never be the same without Bill. He was a friend, a businessman, a force for good in our community! His smile, wit and kindness will always be remembered. Gee Gee and the kids were his reason for being and Cass Avenue has lost its most important resident! We will never forget him nor his lasting contributions to Utica's quality of life! Rest In Peace, Bill!*
