“ My deepest sympathy, i just found out about your mother, and i was saddend very much. Not only we were neighbors, but she used to come and have breakfast at the cafe across the street on Hilton. Every nite i would turn the corner and there she was, I would wave and honk on my way home. She was a beautiful woman, and she loved her little puppy. She will be missed very much. I hope God will give you the strength, to get thru this time of healing. Always remember she's with you all the time. Thank you & God bless you, Effie Lambros
