I write this with a heavy heart. Bob was a wonderful husband, father, grandfather, and friend. I have so many great memories. He and Jim were best friends from grade school. He was in our wedding so many years ago. We celebrated New Years Eve with him and Mary many times. When we lived close, he would come over on Sunday am for coffee. I am sure he and Jim are trying to one-up the other with hunting stories. As long as they don't try to measure anything. Yes, he will be missed, but will always be in my heart.....Phyllis Russ
