“ I had the pleasure of spending some time with Bonnie since we met at the reunion. Enjoyed her immensely Never heard complaints just what was still of interest and still to be discovered. I expect the legacy of strength will bode her family very well both now in their loss and in the rest of their own lives. God bless Bonnie

“ Bonnie's grit, dry sense of humor, smarts and determination were fun to watch in action. She had no tolerance for film-flam artistry, had a soft spot for the underdog and so much love for her children and grandchildren. With all the physical challenges she endured, I never heard a tinge of self-pity. I'll really miss calling her and hearing that husky voice on the other end of the line. Peace to you, Bonnie.
