“ *I have so many wonderful memories of Bonnie. We both loved the water and sun bathing. We would pack up our daughters, take a playpen and head to Stoney Creek. Bonnie always made me proud to be her cousin, though I loved her like a sister. Her smile was infectious and she always shared it with everyone. Bonnie (and Bob) opened their homes and generous, gracious hearts many times for my family when we would come from Texas, even hosting a birthday party for my Mom !
I'll be eternally grateful for the blessing of having Bonnie in my life. You'll never be forgotten dearest lady. Love and Prayers for Bob, Stephanie, Scott & Danielle, Frank and Edna*

“ *I remember spending New Years at Bonnie's comfortable home. I remember playing cards and laughing until midnight. The whole day was a celebration to her. It was all about her family. She always made me feel like family, that is for certain! Thanks Bonnie, and the whole Schuldt family, for welcoming me into this beautiful family. I can hear her laughter in my memory. Rodney Daly*

“ Bonnie was one of 20 grandchildren of the late Edna Job. Our family always had fun when we were together. Bonnie was fun loving and always concerned about what was happening in your family. She did a lot to keep the cousins together and often hosted with her husband the gathering of this large family. She was a very sweet and loving person and we will miss her. With love, your cousin, Sharleen

“ *Bonnie and I have been friends since childhood. One memory we would both recall and laugh about was as 5 years olds we followed a lady pushing her baby in a buggy because we were so crazy about babies back then. We went a couple blocks with her and then we were lost. Our moms sent to police to find us. we got in trouble for that and we were both sent to our bedrooms. I saw Bonnie out playing long before my mom let me out. We also celebrated our 13 and 21 birthdays together. I'm so glad we stayed in touch all these years and I will miss her always. I loved her very much...my lifelong and best friend.*

“ *Bonnie was our good neighbor for many years. After I moved from the neighborhood, she would call from time to time to see how I was doing. When I would be in the neighborhood and would stop by to say hello, she was often out in her back yard enjoying the quiet, beautiful place she had created. I will miss those visits.*
