“ so sorry for your loss Mike, Lisa & Willie and families. I'll miss Brenda's smile & her laugh. One of my favorite memories was when I was a kid and Brenda wanted me to hop in her Ford Mustang to run an errand with her for Aunt Marie. We had the windows down, riding through the subdivision, it just felt so awesome being in her car, I'll never forget the song came on called You Know What I mean by Lee Michael's & Brenda turned it up, we sang every word together ❤️ and Brenda loved her Neil Diamond and The Monkees music back in those teenage days too. She will be missed and remembered with love until we see her again in heaven. My sympathies and prayers are with you ☐
