“ *I'll always remember how Brenda was in full makeup and hair at 8 am at the elementary drop off, while the rest of us were lucky to even be out the door with the kids no Less look Like a million bucks! Fun times were always in order at soccer matches as we caught up on neighborhood going ons and giggled our way through the matches only To find out the game was over! My daughters remember how she made them feel loved and cared for at the L'Occitane shop by showering them with attention and gifts. She always had a way about herself to make you feel like the most special person in the room. Brenda, you were a one of a kind woman! We will always remember the good times, my friend.*

“ *Like so many, I have endless memories of Brenda that will always bring a smile to my face. In the 5 years she spent doing my nails perfectly, whether in the salon or in her home while our kids played, we shared life experiences, advice & were always making plans for nights out with friends or pool days with girlfriends & kids. Memories of happier times of weddings, babies & watching all of our children grow. All of us will miss her beautiful smile, her laugh, her generous heart & the way she could light up a room. Thank you for the memories, Brenda, you will be missed more than you know. Rest In Peace ❤️ Love, Kelly Grevemeyer*

“ *So sad to hear that Brenda passed. I met Brenda years ago when we both worked at Lakeside Mall. She was the most stunning girl and she was one of the sweetest girls I knew. We had many fun times together! I will miss her and hope her family can find peace in knowing how much she was loved by many.*

“ *I am deeply saddened to hear of Brenda's passing. She was always such a sweetheart. Anthony and my son Conner played baseball together on the LCN Little League team. We spent many hours cheering on the boys and we always had so much fun. She was a wonderful, caring mother to her kids. Over the years we'd run in to each other and I visited her when she worked at Partridge Creek. We spent time together last year at a mutual friends graduation party and it was so great to see her. Of course, she looked beautiful and was telling me how much she loved her children and missed them so deeply. This news is really heartbreaking for her children, her family and all of her friends. Brenda will be remembered as a beautiful, loving, caring person that will be truly missed by so many. Rest in Peace Brenda - til we meet again my friend.*

“ *Brenda was such a beautiful person. When she walked into a room all eyes were on her. She loved her family especially her kids. Memories I have are when our kids were little and we would all get together for birthday parties. She just loved having everyone over. She was in her glory hosting parties. Everything was perfect, the food, decorations and most of all making she loved to make everyone happy.*

*As our kids got older, I didn't see her as much but every time I did she put her arms out for a hug with her big smile and was always so kind and generous. What made her light up the most was talking about Anthony and Adriana! You could tell how much she loved them.*

*Brenda, we will all miss you but we know you are in the most beautiful place. God has you now.*

*Rest in peace my friend.*

“ I remember the first time I saw Brenda. I was maybe 20 yrs old and she was around 16 yrs. We were at a backyard party (I believe at Michael Contesti's) and when she walked in, it was like a ray of sunshine, she was so stunning, it took my breath away. Little did I know, we would become such good friends for many many years. So many good memories - vacations, play dates with the kids, shopping, casino fun, salon time, pool parties, long telephone conversations...too many memories to list. She was so generous, always giving away free samples from her work at L'Occitane and she was so genuinely happy when friends and family would pop in to visit her. My favorite memories were the play-dates with our kids since they were close in age. She would always say "My Anthony" as he was running all around and she couldn't take her eyes off Adriana; such a doting mother. She loved inviting the ladies over for pool days and she always had such a food spread usually including salmon! Not to mention the array of purses for sale! She had a pure heart. I will remember those days and all the great memories, until we meet again my friend, you were definitely one-of-a-kind and will be missed...rest in peace Bren, love Missy Shevela
