“ I knew Brent through my niece, Cassandra Wilson. He was a kind and generous soul who loved life to the fullest. His loss on earth is now heaven's reward. I know that Cassandra hasn't spoken to him in a while, but she will now forever miss his gentle soul and beautiful face. May god bless and keep his family in his loving arms until their pain from his loss has eased. Kolleen Wilson

“ Brent, I didn't know you that long but from what I knew you were a great guy! I will always remember the time when we went up to Wellington and you sang Karaoke or what you dressed up as for Halloween at Roxanne's party! May your soul be at peace. My thoughts and prayers go out to your family and friends.

“ My heart and prayers are with the Laskowski family during this time of sorrow. Brent was a great person who loved life and was always willing to help others. He loved to tell his stories and he told them well. I could probably still quote a few. We were very close for a period of time and I have many fond memories of him and his family, whom he loved more than anything. While we did not maintain our friendship through out the years, Brent will always hold a special place in my heart. He was an amazing person and will be missed by many.

“ I am writing to express my deepest sympathy for the loss of your son, Brent. I have a son about Brent's age and cannot imagine the pain you must feel. Please be comforted with the fact that the Bible promises there will be a resurrection of both the righteous and unrighteous at Acts 24:15. The majority of mankind will be reunited in a paradise earth as promised at Psalms 37:29 which Jesus quoted at Matthew 5:5. May you be comforted with the hope of seeing Brent again. “ I haven't known Brent for a long time, but since I have become a part of the Laskowski family the best way I can put it he was like a brother to me. Everyone knows how much he made us laugh and that he would have given the shirt off of his back for anyone, anytime. I am so thankful that he was here long enough to be a part of our wedding day and that we have those special memories to keep forever. Brent, you will always be in my heart and you meant the world to both Scott and I. We love you and the border collies will miss you!
