“ Shari, I am so sorry to hear about your father. I remember coming over as a kid and saying hi to your mom and dad as we ran up the stairs to play guitar in your room. My heart goes out to you and your family. My mom passed recently March 24. I'm so sorry. Sharon

“ So sorry for your loss. Wish I were closer so I could support you as you supported me and mine just a month ago. I know that Brian and Jeannine are no longer suffering and they are keeping an eye on all of us from their perch up there with Jesus. With heart felt support and love Monica Almashy Ayers.

“ Thank you for all the support and love over the years. During the trials and tribulations you were a god send. For the nature trips and the music of your guitar, will always reign in my heart. Sorry to have missed it. Love Julianna Stevens.
