“ Brigitte and I were teaching colleagues at Heritage many moons ago. I will always remember her as a very caring person with a beautiful smile and wonderful laugh. Brigitte was such an asset to our staff. Her students were always her first concern and she created such a great learning atmosphere. She will forever be a special member of our Heritage family. I am grateful that our paths crossed. She was loved by all and will remain in our thoughts and prayers forever.

“ Brigitte was my colleague in World Language at Heritage Junior High School for a few years. I will never ever forget her - as she was always a professional - but such a compassionate and fun-loving person. She only spent part of her day at Heritage - she travelled over from Eppler JH on a daily basis. But in spite of her many preps, she was consistently positive - always smiling and cheerful. Her students thoroughly enjoyed learning Spanish and English in her classroom - plus she always looked fabulous in her many beautiful outfits. I remember travelling with her to the Michigan World Language Conference in East Lansing and along with some of the ladies of Heritage, going on shopping sprees together. RIP dear Brigitte. Prayers for you and yours! You will be so missed - by so many.
