“ *Starlyn, your mom was my mom's half-sister Flaudie Clark Smith. I was saddened to hear of her passing. Quava Honchul told me. Quava and I stay in touch since our paths crossed 3-4 years ago. Last time I saw your mom was probably at her dad's funeral in the early 60's. After my mom died I completely lost track of her until Quava and I tagged up. Quava gave me her address and after that, your mom and I exchanged a few letters. I thought of her a day or two before she passed away....and had intended to write. Again, I'm very sorry to hear of her death. Send me an email zsmithbob@AOL.com , I'd love to hear from you.*

“ *Bronzie you are loved and will be missed. You now can see the loved ones who have gone before you. Give them hugs for us. I pray for the family that God will protect and care for you at this time of need. You also are loved.*
