“ *Dear Linda and Family,  
Oh my...we just heard about Bruce's passing. He was such a dear, personable guy. So hard to understand why ... We are so very sorry for your loss. We can only imagine the "empty space" in your hearts. May loving memories bring you peace. Please know our thoughts and prayers are with all of you. Linda, we talked about a get-together. I will make that happen.  
Sending our love, hugs, and condolences

“ *Linda and Family,*

*Words can't express how sorry I am about Bruce's passing. You can  
take the kid out of Franklin High but you can't take Franklin High out  
of the kid. A nice "Kid" from Franklin High will be sorely missed by  
all who knew him....Lots of laughs and lots of good times. Since I'm  
not on Face Book I found out about Bruce's passing through Rick  
Adams while we were having lunch together on Friday. We shared  
the joy of him in life and, God willing, hope to share more with him in  
the hereafter when our time comes.*

“ We remember with smiles playing Trivia by the pool with Bruce while in Florida. He was a font of trivia knowledge. You have our sympathy during this most difficult time. May Bruce have eternal rest in the arms of his Father in heaven. They can always use another Elvis impersonator up there. Roy and Joyce Van Dorston
