“ Bruce, you were like a brother to me & I love you for that. I will always cherish the memories we shared no matter how many times you got me into trouble. LOL. The day you left us the first beer I had at my b-day party was to you & the times I can & can't remember. Until we see each other again.....

“ This day is sadden with a loss of a good guy..I know he wouldn't of wanted us to be sad at all, because he was the life of the party. His laugh and smile made everyone notice. So, lets have a laugh and smile just for him. Will miss you Bruce but never forgotten. Love Ron and Jan McIntosh

“ Dear Dawn, Unfortunately I know how you are feeling and I'm so very sorry. I love you and Bruce as I do Shelley, Kenny and Gary. Bruce was such a great guy and made us laugh. He will be missed by me and my family very much. Take one minute at a time and it does get a bit better every day. Still hurts but I can make it thru some days and they aren't so bad!! My thoughts and prayers are with you....Love, Linda Tucker
