“ *I'm so deeply sorry for the loss Bryan. He was truly a beacon of positivity—someone whose presence lifted others, whose smile made even hard days feel lighter, and whose spirit brought warmth wherever he went. Losing someone like that leaves a real emptiness, but the impact he made on the people around him will never fade.*

*I hope we find comfort in the memories we shared, the laughter, and the moments of encouragement he gave so naturally. His light lives on through everyone he touched. He will be deeply missed by everyone who had the privilege of meeting him.*
