“ I had the privilege of working and playing golf with Byron for many years. He was a class act always. No hidden agendas. He always had his client's best interests in mind. And he never had bad things to say about other people. His spiritual quality always served as a fine example to others. God rest his soul.

“ Bev & Family, Sharon Lawrence Kline and I both were very saddened to hear of Byron's recent death. Memories of my cousin Byron center on his trips to Bridgewater, VA to visit and play golf with my dad John, and mother, Eula. I remember a kind, gentle and well-mannered guy even kind to me, a young brat then always entertaining, and very handsome indeed! We send our deepest condolences to all the family members during this time of loss.
