“ Diane and I worked together at Sullivan Ward a number of years ago. She was such a wonderful person with the greatest sense of humor. Although I have not seen her since our working days, I will always remember her smiling face and the many times we managed to laugh ourselves silly over the follies of working for attorneys. My condolences to both Cheryl and Patrick in your loss of your mother, a wonderful woman whom I will never forget. Donna Kraft

“ Had the pleasure of meeting Diane thru her brother whe he came into town. We went to dinner and spent some time together. I am so sorry to hear of her passing and wanted you to know Cheryl that she has been in my prayers. I met you at your grandmothers funeral. I was a childhood girlfriend of Bobs. Take care and my sincere regrets to you and your family for your loss.
