“ I am without words. I loved Carlie so very much. I still see him as a study little boy, racing around the pool or on the playground. I am so very sorry that he is gone. It is so unfair.

“ Dear Tina and Carl there are no words to express the sorrow I feel at your tragic loss. I know that Carlie was the center of your lives - a wonderful son and friend and a great person to know. I remember him as a bright, gentle, kind and loving human being with such a promising future ahead of him. Losing a child is the ultimate human tragedy and I know that there is nothing one can say to make it easier. I want you to know that you are in my heart and in my prayers Love Veronika
