“ *Dear Kathy, and all Carl's family, especially his mom and sisters, A wonderful, vibrant life has left us who loved him so.! I am so, so sorry for the loss you will feel. Carl taught me so much about how to live and how to die well. He had a bright intellect, a quick wit and a keen sense of humor, all wrapped up in integrity and honesty. I was privileged to be a spiritual companion to him and to walk with him these last few years. May he continue to bless us, surprise us and influence us as he lives his new life in God.
