“ Dear Shawn & Sheree: My condolences on the passing of your Dad. Unfortunately, the last few times I saw him, it was at funeral settings. Be that as it may, your Dad was always a joy to be around! I'll never forget when he came to my Mom's funeral luncheon & spent time with me & visited with the other few Spanke relatives that were also there. My thoughts & prayers go out to him and to both of you. Take care.

“ I remember my first experience working with Al, putting up a privacy fence for Sheree. I had my way of doing it and unbeknownst to me Al had his way. I started building it and Al stepped in, guess what, I ended up being his gopher. I kept telling him this is not right and he would laugh and told me to continue digging holes. Great man, I will miss him dearly. Cal
