“ Dear Smoltz Family: With deepest sympathy at the passing of my beloved "Pop Smoltz". I have certainly been blessed in this life time to have had your whole family to love and cherish me. I always felt that Mom & Dad Smoltz were truly wonderful to me and cherish my many great memories. Please know Christmas will never be the same with Mom and Dad Smoltz gone. I loved both of them dearly and is truly a heavy loss for me. I love and treasure all of you. Love Always & Forever, Your adopted Sister, Bea
