“ Dirk, I was so sorry to hear about your father's death this morning when the prayer chain shared the news with me. I pray that God will comfort you, Diane and your family with the hope of eternal life and the resurrection that is ours in Christ Jesus. Even as we mourn the death of the people we dearly love, we can find great comfort in the assurance that they are with Jesus. May be the peace and strength of God sustain you and your family in the days to come.
