“ Our family has many happy memories of Mr. Vendetti, especially Ike Football games, always had to get Spankies after the games. They were and still are the best!!

Carlo always has a smile and a story. Our family sends our deepest sympathy to the whole family for a man that share a wonderful life.

“ Carlo didn't introduce himself right away when we first met, but it didn't matter--he was so friendly and welcoming. It was the day before Glen and I got married and Carlo gave me a big hug and wished us both happiness. He brought us a large pan of mostaccioli for our wedding reception. This was a surprise gift. He reminded me of Tony Bennett somehow. Carlo was a warm and generous man. I didn't know him as well as my husband Glen, but I know that he was a good soldier, a good father, and a good friend to Glen. While we on earth are sad at Carlo's passing, we need to remember that the angels are rejoicing that he has come home at last. May that thought give the Vendetti family peace.

“ *Our condolences to the entire Vendetti family. The last 19 years as a neighbor and a friend have been wonderful knowing Carlo, Bev and the Vendetti family. Carlo was always a help on the lake either providing advice or refreshments once the tasks were completed. I enjoyed his company very much. He will be missed as a fixture on Moonlight Lake!*

“ *My condolences to the Vendetti family. Growing up just a few blocks away from the pizza store, our family had many, many meals from Vendetti's pizza! My brother Steve worked there for a time too. Carlos was such a sweet man and as someone wrote on another tribute, I still see him in his white T-shirt & apron in the kitchen of the store! RIP Carlos.*

“ *Mr. Vendetti and his family lived on the same lake we lived on in Shelby Twp.. His pizza place was a staple in my teenage years, he always made pizzas for our neighborhood block parties. I grew up with this family. My mother is 93 and knew Carlo, it will be tough to let her know another one of the neighborhood "originals" is gone. No one made a better "Spanky".*

“ *I'm blessed to have known Carlo. When he was unable to sleep he would either call me at the police station or he would come up to the station to talk. Carlo would share some of his experiences while serving his country in WWII. We also talked about hunting. A real gentleman. RIP sir and thank you for the privilege.*

“ I’m very sorry to hear about Carlo’s passing. He was a truly great man. Full of strength, kindness and humor, he was one of the nicest people I was lucky enough to get to know. I enjoyed his friendship immensely. He was always a good sport and welcomed me into his world sharing with me many of his WWII experiences; something I am forever grateful for. He was in short, a very fun-loving guy. With looks like Tony Bennett, and a heart of gold, he always made me feel welcome. I will miss his stories, his good-will and his never-ending ability to make me smile. I bid you farewell Carlo, and I wish you much happiness and joy in your new Heavenly adventures. You will never be forgotten. --Glen.

“ I am so sorry for your loss. I will never forget the block parties your dad organized for us on Twilight and the best pizza for the church picnics every year.
