“ *Dear Malinao Family,*

*It is with great sympathy that I read about Carlos passing away. I have not seen him in many years, but I can tell you he was a great man. He had a great sense of humor and could fix anything. I remember him working in his wood shop in the basement with all his tools just so. He was a giving man with his time and his knowledge. Sometimes you breakup with your boyfriend, but wish you could keep the relationship with the boyfriend's family. With that said, I have great respect for Carlos and Barbara. My thoughts and prayers go out to the family. I'm so sorry Brian for your loss. May the memories you have keep your dad alive and comfort you.*

*Sincerely,*
