“ There are so many wonderful memories that I have of Aunt Carol. First and foremost her incredible faith in God, no matter how long it took her in the morning she always took time to read her Bible. She truly showed everyone that no matter what you think is more important you can't do it without inviting God along with you. I will always treasure the times that she played games with me when I was young and cuddled me on her lap. She was a remarkable lady, one I will miss dearly

“ God saw Carol was getting tired and a cure was not to be So he put his arms around Carol and whispered,Come with me With tearful eyes we watched her suffer and saw her fade away Although we loved her dearly we could not make her stay A golden heart stopped beating Hard working hands to rest God broke our hearts to prove to us He only takes the best.
