

Carol Bradshaw

August 4, 1937 - September 7, 2023

Carol Elaine Bradshaw, age 86, of Royal Oak, passed away on September 7, 2023.

Loving sister of Thomas (Connie), Margaret (Stephen) Palmer, and the late Kathleen (Leslie) Erickson. Dear aunt of Leslie (Paul) Nutter, Andrea (Rod) Niner, Robert Erickson, Nancy Reid, Laurence Stensland, and the late Jill (survived by Gregory) Krause, Barbara Arsenault, Carol Hunter, and Pauline Holbrook. Further survived by several great-nieces and great-nephews.

Carol graduated from Oakland University and then worked as an accountant in various settings over the course of her career. But her true passion was volunteering, and she was an avid supporter of anything to do with Royal Oak. She devoted her time year-round to the Royal Oak Library, as well as to various special events such as Arts, Beats, & Eats. And she was a longtime volunteer with the Detroit Zoo, working to support their resident kangaroos. She was also an active member of the Red Hat Society, and she gave generously of her time supporting the Sarah Fisher Center and Camp Cavell. She will be dearly missed.

Memorial visitation for Carol will take place on Wednesday, September 13, from 12 - 4 p.m. at Wm. Sullivan & Son Funeral Home, 705 W. 11 Mile Rd. (four blocks east of Woodward), Royal Oak.

in lieu of flowers, contributions in Carol's memory can be directed to the Friends of the Royal Oak Library, the Detroit Zoo, Judson Center, Grace Centers of Hope, Camp Cavell, or Sarah Fisher Center.

“ *My deepest sympathy to Carol's family.. I worked with Carol for years as we opened the Australian Outback habitat for kangaroos and wallabies. She was a kind and giving lady who loved to share her animal knowledge.*
