“ I have had Carol in my thoughts and even in my dreams over the years. Today was the first time I have heard of her death. So sad. I do hope she didn't suffer. My prayers and sympathy to her husband and the rest of the Weier clan. I shared some fun and crazy times with Carol! “ May God provide the comfort you and your family require to get through this difficult time. I received a message from two of our ex-colleagues, but did not see the text in time to attend either of the services.

*My heart goes out to you and your family. You are in my prayers.*

*God Bless*

“ I will truly and sincerely miss Carol. She made a difference in my life by guiding me through the ins and outs of work life and in some cases my personal life. Some of the funniest memories I have are due to my interactions with Carol. She and I had been work buddies and friends for over 20 years. Her quirky sense of humor and no nonsense way when it came to work will be forever missed.

“ My heart is so heavy with the news of my dear friend passing. I've known Carol for over 30+ years and I really got to know and love her within the last 8 years. We shared so many stories about our families and co-workers. Carol and I sat side by side at BCBSM as contractors and I couldn't wait to get to work and laugh with my Carol . It was a pleasure and honor to sit next to her and listen to her release her knowledge and wit all at the same time. The four (Susie, Doral, Carol and Me) of us would meet for dinner every two months just to laugh and catch up on family and life. I'm going to really miss my dear friend....Much Love to her family, I will keep you all in my prayers....Sandi Sharp

“ I can only imagine how much Carol meant to her family, because she was “Super Carol” to her Blue Cross family. She was the person we went to for all the answers. Her smile, wit, and willingness to help others will truly be missed.

“ I was sad today to hear about Carol's death. I always loved her as a friend both at work and outside work. I was a tall bridesmaid at her wedding and we always laughed about that. She was wonderful in her work knowledge. I will miss knowing Carol is no longer here on Earth. Blessing to Rob and her family. Pat Hewitt

“ I was very saddened by this news! I worked with Carol for many years and she was so very knowledgeable of BCBSM benefits. God Bless the family. I know she will be sorely missed.
