“ I'm so sorry for your loss. Carol was a sweetie. She had written me notes during my activities with the ASGS. She sent me a lovely note of support and encouragement during my term as the only female president. I would see her at the section meetings and always a doll. She will always have a special place in my heart. She made an impression on me. Take care and remember the great times of the angel brought to us.

“ I want to express my sympathy at the loss of Carol and your mom. She was such a dear person. Sadly we are out of town and were not able to come and pay our respects. Seldom have I known anyone so consistently sweet and warm. I know you will miss her greatly. Bev and Rich Terry

“ Art and Family, I had the wonderful privilege of knowing Carol as a teacher, a friend and a loving mother. Both of my boys, Darin and David, had the opportunity of having such a loving, caring teacher as their first school experience. She has remained in our lives through the years attending many milestones with our family. Carol's wonderful smile and gentle, caring ways will remain with us always. You are all in my thoughts and continued prayers.

“ My thoughts and prayers are with the entire Dolenga family during this difficult time. Mrs Dolenga was always such a kind and gentle person, as a preschool student of hers in the early 70's I have many fond memories. She touched so many lives during the years that she taught at Dresden, she will surely be missed.

“ My condolences, Art, on the loss of your wife Carol Dolenga. You may remember the New Zealander Kiwi who was more involved in the ASGS study trips and symposiums in the 1980s and 1990s. I'm still glassblowing though in a different country. I lost my wife Sue nearly 10 years ago and I know the grief and trauma loss can cause so wish you and family and friends acceptance and appreciation for the life of Carol. Kind regards. Grant Platt.

“ Dear Dolenga Family, My thoughts and prayers are with you at this time. It is so difficult to lose a loved one, but knowing that she is now at peace and at rest with the Lord can give you comfort. You have all given so much love and care and that should be such a comfort you can always remember when you think of your mother. Sincerely, Rose Pikor

“ Dear Dolenga Family, Fond memories and that wonderful warm smile come to mind when I remember Carol. She was a warm and nurturing teacher to those pre-schoolers in her care. A child was very lucky to have her. She must have been a wonderful mother to her four children. I had the pleasure of having David and Ruth as my students at Dresden. It is sad that her last years were consumed with Parkinsons. My deepest sympathy to the family on your loss.
