“ Thinking of you all today and wishing I could be there to help celebrate Aunt Carol with you -- I always enjoyed our visits with her when we came to Royal Oak to see the family, and I will miss her smiles and the memories of our family she was always ready to share.

“ I'll never forget that your mom was the first person on the block to invite us to their Christmas open house 30 years ago to make us feel welcome to the neighborhood. she was always a pleasure to talk to and was always interested in how the boys were doing since she watched them grow up. I will miss her smile and little chats and telling her how jealous I was of her beautiful yard. Let your wonderful memories comfort you in this difficult time and know she and your dad are smiling down on you from their beautiful garden in heaven.

“ Aunt Carol was always special. Her voice was kind, her smile was soft, and she always seemed classy when she would appear at my grandma's house or Great-Grandma Neason's. A few years ago she called me and asked if I wanted a few books detailing our family history. I was thrilled and she saw that coming. Last fall, she surprised me with a gift for my new baby. I loved her card and sending her cards back. I will miss her and I'm sorry that my family and I cannot make the trip from Chicago to services tonight and tomorrow. My heart is with you all.

“ As a childhood friend of Bill's I remember standing in the kitchen of their home and being very certain -- and very emphatic -- when telling Mrs. Haubert that a dresser was also called a Chester Drawers. She was a very patient. I still recall the bemused look on her face. That story's been told many times in my now 49 years. There are many fond memories of Mrs. Haubert from growing up with the boys in the neighborhood. My condolences to Bill, Mike, and Theresa and the rest of the family. - John Dixon

“ Theresa, Mike, Bill and Families - Your beautiful Mom will always hold a special and dear place in our hearts. Her warm smile, caring nature, attention to detail, and long time friendship will all be remembered fondly and cherished. She blessed our lives and we know we are richer because of her. May she rest in peace and may God's peace be with each of you. You are in our prayers. With Love, The Pilarcik Family

“ To a dear friend....farewell. To the Haubert family, may her keen sense of humor and common sense view serve you all well. I'll miss our discussions on gardening, what fun we would have scouring and finding something from plant to hard-scape that would make the most beautiful gardens even more so. She would have patience for a plant that needed some TLC, she would be delighted when a favorite was divided and would either be used in her gardens or off to Bill's or her sisters. The serenity of her gardens she loved sharing with Joe, neighbors, family and friends.

*She became my mother's favorite person at the Senior Center, of course Carol made her feel that she WAS the most favored of all the seniors in Royal Oak....that kindness was appreciated by my family.*

*Lunch with Carol, we made sure there was no other plan for the rest of the day, we certainly could fill hours with conversation and laughter and still have plenty for the next time.*

*I miss her terribly.....Eddie Saunders*
