“ My Aunt Carol had the biggest heart. She would always listen, hug, and come to all the family functions. I remember her love of frogs, her Nova, her blue eye shadow, and her love of Barry Mannilow which I never understood. She let us come to work with her at the motel, sleep over, and did what an Aunt should--just love you. She loved animals and the Red Wings too. She was kind to everyone. I will miss her greatly. She was beyond special, she was my Aunt Carol.

“ I worked with Carol a few years back. She was always very helpful and a joy to be around. My thoughts and prayers are with her friends and family.
