“ I am a classmate at Macomb with Kim and I wanted to say how sorry I am for the passing of her mom, Mrs Krall. I pray that God wraps you in His loving arms and gives to you, all the peace and comfort He can during this time of sadness. Please find some comfort in knowing that she isn't in any pain or suffering and she awaits for her loved ones to meet her in heaven some day.
Blessings and comfort, Gina Schwandt, SRT

“ I met Carol @ Cadence, she was in my team her press was right behind mine so every time I had to get my parts out I would see her, she was so nice. Every morning we would wave & say "HI MORNING". Then when we got to JVIS I was so happy to see her again every morning only this time it was usually in the restroom we would say morning!!!! I missed every morning for a long time I was so looking forward for her to return to work she will always be in my thoughts and prayers & every day while I still light my candles for everybody. SHE WAS A BEAUTIFUL & WONDERFUL LADY WHO WILL TRULY BE MISSED.

“ Where to start, I first met Carol while I was still in High School, you could say, we were just like family. Carol and I had us some times ! I would like everyone to know how big her heart was and how much she loved her girls. She was always there to help in whatever way she could and there was not anything she would not do for her girls or mine, or anybody else. Carol loved my girls and was a very big part of their life and they loved Auntie Carol. Carol was funny, sensitive and she would let you know how it was. I am glad she was a part of my life and all my girls. I have nothing but great memories, from all her red Christmas's, fried chicken, country music and did we laugh! I will always carry her in my heart and I pray that I will see her again in Heaven. Lord, I pray that you take care of these girls during this new transition in life. I pray you are the peace and comfort in the life of her children, that you gave her . With Love, Tracy/Aunt Tracy
