“ I am so saddened to hear of Carol's passing. Had the joy and privilege knowing Carol through our ladies church singing group and then when we sang years ago in Europe. Carol was such a wonderfully blessed woman and gave joy to so many. Her love of singing will now be continued in one of the heavenly church choirs with our Lord God.
Thoughts and prayers to the entire Lengjel family.

“ Our dear friend, Carol, will be missed beyond words. Our families go back to the mid-eighties at 1st Pres chancel choir. We quickly grew to include the Martins and Paavola's and never lost touch.....skating, apple picking, time together at Grand Lake, regular dinners with all the kids....how lucky we were! She could sew anything, and did! Devoted to choir for over 50 years, she for sure is singing with the angels.

“ We are cherishing 40 years of special memories with our dear friend Carol. She was Allison's first skating teacher and a “second mom “ to Colin during our son's hockey years. There were so many wonderful trips together, dinners, apple picking, pinochle, and New Year's celebrations. She had so many talents and an ability to make everyone she met feel special. We know she is at peace and her beautiful voice is singing with the angels now.

Sending our love,
Nancy and Fred

“ *Sitting across the chancel from Carol, listening to Joseph play so beautifully. Carol would often close her eyes and just appreciate the heavenly sound. She's still listening...
We will miss you very much.*
