“ She was my Aunt and she was a wonderful person and, I loved her. Heaven received another Angel. May she rest in peace and be happy up there with God and her husband and her sister and her parents and anybody else she might know that are up there. She will be greatly missed but she did leave a mark on everyone that she ever knew and that was with love she was a very kind woman. Her kids are a great legacy and they are wonderful kind and considerate people because of her
