“ *Ms. Pearce was a teacher, mentor, colleague and friend to me. She was always so upbeat and kind and a true inspiration to all. I will miss "running" into her everywhere in Royal Oak. God Bless her and her family. My prayers are with you all.*

“ *At a feeding-the-homeless night in the Baptist Church on Main, I saw Carol whip off her own socks and give them to a man whose feet were sore because he didn't have any of his own. She put Love Universal in action and we were all enriched by it.*

“ Remember, God will take care of you and will give you rainbows after the storms. May you always be in harmony with the beauty and wonders of Gods world, and may His peace surround you at this difficult time. May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss.... All those sleeping in their graves will wake up and sing for joy. As the sparkling dew refreshes the earth, so the Lord will revive those who have long been dead."-Isa. 26:19.
