“ *Carol lived next door to my grandmother. I have alot of great childhood memories of my sister and I hanging out with Carol and her brother Ken. Weather it was down at Clawson Park for the 4th of July, or just playing in the yard, she was always so much fun to be around. Although I havn't seen her for several years, the loss I feel is great. My deepest sympathies to Mr. and Mrs. Wayland, Ken and Tim, and to her new husband and family. Dan Schmidlin*

“ My deepest sympathies to Jeff and all of Carol's family. Although Carol and I didn't always see eye to eye, I had nothing but the upmost respect for her as my superior. Having worked with Carol was a pleasure and joy and I cannot thank her enough for everything she taught me not only professionally but personally as well. She will be truly missed.

“ Carol was a colleague whom I had met via an Internet travel agent and agency owner group. We met in Orlando at a meeting of this group in 2001. Carol was a wonderful person to be with; witty, full of fun and a beautiful girl. I will miss her and our hockey rivalry as well as our comradery in this business. Her presence whether in body or spirit or email will be missed by many of us!

“ Almost every memory of growing up on Oakley Street has Carol in it. She was my best friend. We were little girls enjoying sleepovers, giggles, crushes, & dreams. We watched & helped each other through adolescence, braces, pimples, & heartbreaks. I will always be so thankful for those memories. Lean on Christ in the days and months to come. He will give you the strength and the comfort you need. All my love, Jackie Hafner

“ I only knew Carol thru our phone conversations but felt as though she was part of our Barton Malow family here in Charlottesville, Virginia. She wasn't just a 1 800 number to call for travel but a very warm, caring and witty person who made you feel very special before hanging up the phone. All of us will miss her. My thoughts and prayers are with her family, friends, and colleagues
