“ I found out yesterday that you had passed, You where like a mom to me growing up, I stopped by the house to see if you wanted my sons to start cutting your grass this summer... You would have liked them. I'm sorry I didn't keep as close as I should have. Don't know what happend but It's not fair. Todd, Scott, I'm sorry. I somtimes wish we where all back in 1985 before we had to start thinking about stuff like this. You will be missed ma,been a long time since I shed any tears. May you walk with God and Larry and please watch over everyone.Love

“ Scott and Todd - I am sorry to hear about your mom. Eight years to the day...This has been a bad year for family - Rachel passed away 10/2/11. At least they will all be reunited! Lori Kao

“ I am pleased to have known Cousin Carol if only by pen pal emails. We colaborated quite a lot on several issues concerning the Leifheit family history centered in Illinois before the turn of the century. She will be sorley missed in our talks as the family history continues without her steady memory and guidance...May she rest easy. ALW

“ I was blessed to be Carol's pastor. She was a sweet and helpful member of Bible Baptist Church. She will be miss by us all. I am so glad that Carol trusted Christ as her savior as a young lady, as she recounted her testimony to me when she join our fellowship. She was a member of our church for almost 8 years. She was willing to help in what ever way she could. If I were to give one word that would describe Carol it would be Faithful. Faithful to her Lord, her church, and her friends and family. The Bible says - Precious in the eyes of the Lord are the death of His saints.
