“ I am sorry to hear about the loss of Carol Mae Wolleat Nana. My thoughts and prayers are with the Geci family at this time. Particular memories I have of Nana are mostly from my childhood. Nana and most members of the Geci family have a bond with animals. My mom always told me about having a dog while growing up. I remember Nana showing me a mouse/rat she had in a cage with a screen over the cage. I let the mouse go in my mom's bed upstairs when she was sleeping. I also, remember Nana giving me orange push up pops. When my mom would tell me no more orange pops, Nana would sneak me one more. I remember Nana giving me two dolls at Christmas. One of the last memories of Nana was when I was in college. Nana fixed me a huge meal when I told her I was hungry. My prayers and thoughts are with the Geci family at this time. Sharon Smythe
