“ *Carole was my dearest friend. We shared so many fun times sad times weird times and I will miss her beyond words. Carole was a little gruff on the outside, but she had a heart as big as the moon.. Rest in peace, my dear friend, and someday we will be reunited. I love you to the moon and back.💔💔💔*

“ Carole was the oldest of our Grandparents 17 grandchildren, her mother Mary was the oldest of six daughters there was 14 grandsons and 3 Granddaughters. She was a force I was scared to reckon with, as I got older I finally figured out her bark was worse then her bite. When I got married in 1972 Carole was my maid of honor, I had searched for weeks for the right shoes, when we where getting close to the Shrine I had to tell her I forgot my shoes at home, she was pretty calm and took me to Northwood shopping center but when I told her I didn't have any money she was not happy with me at all, years later we would laugh about it. In the 1960's Carole was in a horrible bike accident near her house, she was in bad shape, not life treating but broken limbs and was left with a life time of dental problems, her accident was caused by her avoiding a dog.

Carole had such a love for doggies and kitty's, she donated her time and I'm sure money donations where given as well.

Carole was my older cousin, I had known her for 73 years, and will miss the joking and laughing and our garage sales, etc.

There is so much more I could say but for now you will be in my heart everyday.

Love,
Buckey
